

FIU CON Online **2015**

You want me to
teach wine tasting
online?

a+d=s²

Panelists

- Dr. Rosa Chang
- Dr. Joseph Cilli
- Dr. Katherine Lineberger
- Dr. Melody Whiddon Willoughby

$$a + d = s^2$$

- What is the most innovative part of your course? How have the students responded to this innovation?

$$a + d = s^2$$

- What aspect of your course have you received the most positive feedback from your students? Have you employed an innovation that your students have responded to negatively?

$$a + d = s^2$$

- What do you do with the negative feedback and how has it changed your next online course offering?

$$a + d = s^2$$

- What advice do you give faculty who feel that their subject can't be taught online?

$$a + d = s^2$$

Questions?

$$a + d = s^2$$

Thank you!
